## ***Sedgefield Hunt's*** **Carolinas Foxhound Performance Trial**

at the J Robert Gordon Field Trial Grounds in Hoffman, NC

*The "Foxhunters' Family Reunion"* is known for great food and drink, great sport and great camaraderie.

Hounds will be hunting on the premier bird dog field trial grounds on the East Coast. This 9,000 acre game mecca is stocked with 3,000 quail each year, but isn't fox/coyote hunted all season.

The sand footing is excellent, and there are no jumps, but many sand roads and firelanes, making it easy for riders and truck followers to stay up with the action. There will be multiple fields from Huntsmen's, First Flight to Hilltopper. The hillsides of open pines allow all flights to group up above the working hounds, like an amphitheater, so that everyone gets to watch this awesome Super Pack at work.

All foxhunters are welcome, whether or not your hunt competes hounds.

***Numbers in the fields will be limited, so send in your reservations now to assure you can join us!***

## **Directions to J. Robert Gordon Field Trial Grounds, Hoffman, NC**

The field trial grounds are just south of Pinehurst and Southern Pines, NC.

**Note:** There is no street address, hence no GPS address, for the grounds. However, there is a bird dog trainer next door to the grounds and his street number is 279 Derby Rd, Hoffman, NC, which will get you close for time-planning purposes.

Travelling **SOUTH** from Greensboro, NC on Rte. 220: Route 220 is a very good, interstate-quality highway—easy ride down. It takes about 1 ½ hours from Greensboro to the field trial grounds. Going down Rte. 220, take the 2nd Candor exit, Exit 41, which says Candor Alt. 220. **TURN LEFT** over the Rte 220 bridge. As you go into the first curve on the left, there is a little Mexican taco restaurant. Just next to it, **TURN LEFT** (45 degree turn) onto Windblow Rd. Go 6 miles to a stop sign. Go straight across and the road becomes Derby Rd. Go 8 more miles to another stop sign. **TURN RIGHT**, immediately cross a low concrete bridge, then after less than ¼ mile **TURN RIGHT** onto the 1st sand road. There's no official sign here, but we'll have a Sedgefield sign. Go a couple of miles, pass straight through a 6-way intersection, go one more mile to the clubhouse & stables. (There's no other structure on the sand roads until the clubhouse).

Travelling **SOUTH** from Raleigh, NC on Route 1: Go through Sanford, then Southern Pines, then Aberdeen (where hotels are). Then, as you continue south on Rte. 1 look for a little green sign for Pine Bluff. After Pine Bluff look for Sedgewick Homes modular homes, at the corner of Thunder Road. **TURN RIGHT** onto Thunder Rd. (This road is hard to see and the road sign is over on the northbound side of Rte. 1. Go several miles on this paved road to a stop sign. Go straight across for another mile to a second stop sign (this section is not paved). Back on paved road, keep going straight across a low concrete bridge, then after less than ¼ mile, **TURN RIGHT** onto the first sand road. There's no official sign here, but we'll have a Sedgefield sign. Go a couple of miles, pass straight through a 6-way intersection and go one more mile to clubhouse and stables. (There's no other structure on the sand roads until the clubhouse).

Travelling **NORTH** from Rockingham, NC on Rte. 1: Approximately 12 miles north of Rockingham on Rte. 1, start looking for signs for Hoffman. On the left will be a BP Station. **TURN LEFT** there onto Caddell. Immediately (less than ¼ mile) **TURN RIGHT** onto York Ave. York Ave. turns into Derby Road. About 3-4 miles down York/Derby Rd. look on the left for the big wooden sign for J. Robert Gordon Field Trial Grounds of the Sandhills Wildlife Area. **TURN LEFT** onto this sand road and go about 2 miles to a six-way intersection. Take the 2nd left (you will be bearing left, not taking a hard left). Go one more mile to the clubhouse and stables. There's no other structure on the sand roads until the clubhouse.)
